this volume offers an overview of some emerging trends and structural patterns in the development of international law highlighting its evolution over the course of time and discussing leading principles through various different thematic lenses

reflections on principle and prudence in the thoughts and actions of great thinkers and statesmen discussions of the place of moral principle in political practice are haunted by the abstract and misleading distinction between realism and its various principled or idealist alternatives this volume argues that such discussions must be recast in terms of the relationship between principle and prudence as nathan tarcov maintains that relationship is not dichotomous but complementary in a substantive introduction the editors investigate leo strauss s attack on contemporary political thought for its failure to account for both principle and prudence in politics leading commentators then reflect on principle and prudence in the writings of great thinkers such as homer machiavelli and hegel and in the thoughts and actions of great statesmen such as pericles jefferson and lincoln in a concluding section contributors reassess strauss s own approach to principle and prudence in the history of political philosophy principle and prudence in western political thought contains a series of first rate essays on a if not the central problem of political thought how should and can abstract and general principles inform contingent particularistic political life catherine h zuckert coauthor of leo strauss and the problem of political philosophy

correctional mental health is a broad based balanced guide for students who are learning to treat criminal offenders in a correctional mental health practice featuring a wide selection of readings this edited text offers a thorough grounding in theory current research professional practice and clinical experience it emphasizes a biopsychosocial approach to caring for the estimated 20 of all u s prisoners who have a serious mental disorder providing a balance between theoretical and practical perspectives throughout the text also provides readers with a big picture framework for assessing current correctional mental health and criminal justice issues offering clear strategies for addressing these challenges

includes decisions of the supreme courts of appeals of virginia and west virginia supreme courts

of north carolina south carolina and georgia and may aug 1907 jan mar 1939 the court of appeals of georgia
